Subject: Houston check in

Good Evening,

I am sending this email to document the following:

I dialed 214 665 6660 at 7:56pm to report that I had arrived in Houston and was told by the young lady that answered the phone, "What are you reporting for?" I said that I had arrived in Houston. She asked, "who are you reporting to?" I said Janetta Coats. She replied, "You need to call her and report in."

All 6 of the other people I traveled with were able to check in at that number and a couple were even told, "Thank you for your service."

I called the same number back at 7:57. No answer.

I called again at 8:40. No answer.

I then called Gloria who suggested I send you this email to document my attempts to check in.

Please let me know what I need to do to complete the check in process like my peers?
